Hey, We're here.
...
Yeah.
UBER
Yeah, right under the big acacia tree.

Hey, no offense, but would you mind getting here quickly? This neighborhood kinda scares me...
There's a gang of lions here, and they're really eyeing us up.

What do you look like so we can watch out for you?
Blonde? Okay.
What color clothes?

Wh... what do you mean you're not wearing anything?
Hah! Niccee.

Oh, you see us? Good!
Uhh... dude?
We'll pull around so you can hop in.
DUDE!
